

# Specialist Disability Accommodation Alliance

## SDA Alliance Strategic Plan 2023-2025

Objective	1. Systemic Advocacy: Influence NDIS policy development	2. Sector Education: Raise the standard of SDA design and provision of services	3. SDA Innovation:	4. SDA Alliance Tick of Approval:	5. Member Services: Increased member services and outstanding member engagement
Strategies	<ol style="list-style-type: none"> <li>1. Re-establish &amp;/or maintain NDIA, DSS, NDIS Commission, MO &amp; NDIS Review relationships</li> <li>2. Ongoing influence of H&amp;L policy evolution &amp; development</li> <li>3. Maintain regular dialogue with NDIA to seek to address barriers to quality &amp; timeliness of SDA eligibility/funding process &amp; decision-making</li> <li>4. Influence SDA Design Standard &amp; governance review, SDA Pricing &amp; Payments Framework &amp; SDA Rules Review</li> <li>5. Collaborate with relevant peaks in response to NDIS consultation papers</li> <li>6. Influence Supported Accommodation regulation</li> </ol>	<ol style="list-style-type: none"> <li>1. Resolve current inconsistency between NDIS SDA Design Standard and National Construction Code</li> <li>2. Undertake action regarding inappropriate SDA market players</li> <li>3. Collaborate with key stakeholders to provide quality learning opportunities for members</li> </ol>	<ol style="list-style-type: none"> <li>1. Progress initiatives to close the gap between SDA supply and demand, including: <ul style="list-style-type: none"> <li>• Co-housing SDA eligible participants with those not SDA eligible</li> <li>• Co-designing with NDIA a pathway for housing solutions outside of the SDA Pricing matrix</li> </ul> </li> <li>2. Progress initiatives to measure participant outcomes and impact</li> </ol>	<ol style="list-style-type: none"> <li>1. Collaboratively define poor practice &amp; SDA best practice</li> <li>2. Publish information on poor practice &amp; guidance on SDA best practice</li> <li>3. In collaboration with SDAA members, develop an accreditation program for SDA providers who are SDA Alliance members ('tick of approval')</li> </ol>	<ol style="list-style-type: none"> <li>1. Continue bi-monthly member meetings with regular review of format informed by members survey data</li> <li>2. Maintain member engagement strategy for communicating information to &amp; between members (i.e. member meetings, workshops, e-Bulletins, Newsletters, Community of Practice, social media etc)</li> <li>3. Steady membership growth</li> </ol>
Outcomes	<ol style="list-style-type: none"> <li>1. Improved understanding by government leads to increased transparency, accountability, timeliness or quality of participant H&amp;L decisions &amp; continued support of SDA framework</li> <li>2. Hard separation of care supports and housing</li> </ol>	<ol style="list-style-type: none"> <li>1. Definitive government position on SDA Building Classes &amp; Build Types</li> <li>2. Documentation of poor and/or best practice published</li> </ol>	<ol style="list-style-type: none"> <li>1. SDA Alliance members account for 50-70% of New Build SDA</li> <li>2. Outcomes/impact measurement tools adopted by majority of SDA Alliance members</li> </ol>	<ol style="list-style-type: none"> <li>1. SDA Alliance members accredited and using logo by 2025</li> <li>2. For SDAA membership to be recognised as best in class in the sector</li> </ol>	<ol style="list-style-type: none"> <li>1. Annual member survey - members rate communication and engagement at <b>Good</b> or <b>Very Good</b></li> <li>2. Average 1 x new member per 1-2 months, including attrition</li> </ol>

1. The SDA Alliance advocates for broad issues and themes that impact on our members rather than advocating for specific members  
 2. New Build Specialist Disability Accommodation' is defined as per Part 6 'Requirements for SDA to be funded' of the National Disability Insurance Scheme (Specialist Disability Accommodation) Rules 2016
